DEAR Friends,

I hope you will find time to pray and be with the words and images in this newsletter – perhaps again and again,
to pause,
to open yourself to the Spirit within,
to sink into the ocean of Jesus' peace in your innermost being.
May you experience the kiss of Divine love on your soul.

The Rev. Jim Clark
Rector/Senior Pastor

Live by the Spirit, Walk by the Spirit, be Led by the Spirit...

Infused with the same Spirit that animated Jesus Christ, live by the Spirit, walk by the Spirit, be led by the Spirit...and then the fruits of the Spirit will emerge. And every moment you intend this, there is a chance that that spirit is awakened within you even more. Each of us have our own ways and methods and approaches and it's wonderful. You are invited to sink in to this ocean of Presence. The ocean of peace within, be brought to peace, resting and abiding in the Presence of the Spirit and then be sent out to be the peacemakers who Jesus calls the children of God.

So Much to Celebrate

This unique time in the life of our parish has been filled with joy. Continuing our mission to make disciples, we are so grateful to do this work together. Inspired by the Holy Spirit, we look toward the future with hope.

Fruits
of
the
Spirit
Emerge.
