This series will focus on how the Episcopal Church forms a unique ethos of the Christian faith and how our faith is lived in a contemporary world. Always respectful of all vantage points, and always seeking to find Christ in the midst of it all, we'll talk together and pray together for God's world. This series is designed for those who are familiar with the Episcopal Church and for those who are wanting to know more about what the Episcopal Church believes. These sessions will be valuable for those who are considering being recognized on New Member Sunday on May 19 on the Feast of Pentecost. Today is the second forum of the series. Join us! See below for the upcoming faith formation forums.
