This series focuses on how the Episcopal Church forms a unique ethos of the Christian faith and how our faith is lived in a contemporary world. Always respectful of all vantage points, and always seeking to find Christ in the midst of it all. This series is designed for those who are familiar with the Episcopal Church and for those who are wanting to know more about what the Episcopal Church believes. Today's topic is: "Theology in Practice - Prayer." Next Sunday we will talk about "Theology in Practice - Sacraments." Join us!
